

BLACKBURN ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL

SAFETY FAIR

Being a rural area of the city, Blackburn has some unique road use issues not found in urban centres.. There is frequent use of ATV's on public roads. Vehicle speeds tend to be higher as there is less traffic, fewer intersections and less police presence due to our rural nature.

We plan to have a Safety Fair, an outdoor event during school time that would include areas for bicycle safety, ATV safety and the RCMP Roll Over Simulator. The Prince George Brain Injury Group will be hosting a "Bike Rodeo" to teach kids bike safety.
